

# Wayfarer

Joshua Cupps

Uncertain and unsteady,  
Struggle against barrage of violent waves.  
Emerge from cold water,  
Is this the Straight Path?  
  
Rest and clarity,  
Praises spoken into still of night.  
Beautiful are Your signs.  
Is this Truth?  
  
Stagger and fall,  
Heavy is the weight of Your Word.  
Surrender to a higher will,  
Am I worthy?  
صَبْرٌ  
Home is not so far away,  
So too, can I bear the journey.
